

2025 Fee Schedule and Further Information

International Students

This Fee Schedule and Further Information must be read in conjunction with the Enrolment Terms and Conditions. All signatories to the Enrolment Agreement have joint and several liability for the payment of Compulsory Fees. Payment or part payment of Compulsory Fees will be deemed acceptance of the Enrolment Terms and Conditions (including any amendments notified to parents by Carey) and this Fee Schedule. Please update parent(s) and student(s) information (including contact details and medical information) on Consent2Go.

Intensive English Language Course

If recommended by the School, some students must complete an Intensive English Language Course. Reports from the Language School will be forwarded to Carey.

The School reserves the right to withdraw an offer if the progress reports from the Language School are not to the required standard as determined by Carey. In the event that a student has not made satisfactory progress at Language School and an offer is withdrawn, Tuition Fees will be refunded in full. The Application Fee and Enrolment Fee will not be refunded, nor transferred to another student.

If students are delayed arriving in Melbourne to begin their English language course, they are required to notify Carey as soon as possible as it may result in the withdrawal of the School's offer.

Local Support

All International students under the age of 18 are required to have a parent, legal guardian or eligible relative to be nominated to take responsibility for the overseas students' accommodation, welfare and support in Australia. The parent, legal guardian or eligible relative must have an appropriate visa or have applied for Student Guardian visa (subclass 590).

Carey requires a parent, legal guardian or eligible relative to stay with the student during their whole schooling period at Carey. International students under 15 years old must live with a guardian visa holder or a local guardian approved by the DOHA.

For international students that cannot live with a parent, legal guardian or eligible relative approved by DOHA, Carey requires them to live in a accommodation approved by the school and nominate a local support person who acts on behalf of the parents for the duration of the studies at Carey.

Please refer to the *Accommodation and Welfare Arrangements-International Students* document for further information.

Student Visa Program

A key aim of the ESOS Framework is maintaining the integrity of the student visa program. In conjunction with the Migration Act (1958), it establishes the bona fides of students travelling to Australia to study and ensures such students do not breach their visa conditions. It also provides standards for schools in respect of the offer of educational services.

Schools must be aware of their obligations under the Migration Act and the visa conditions imposed upon students. For more information, review the Department of Home Affairs (DOHA) website at www.immi.gov.au and the information provided for schools and other providers of education for overseas students.

Students on an International Student Visa are required by DOHA to attend a minimum of 80% classes and achieve satisfactory academic results.

The Educational Services for Overseas Students Framework (ESOS)

The ESOS Framework governs the education and training sector's provision of services to overseas students, covering:

- the Education Services for Overseas Students Act 2000 (the ESOS Act)
- the ESOS Act 2000 Regulations
- the Educational Services of Overseas Students Act (Registration Charges) 1997 (the ESOS Charges Act)
- the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students (the National Code).

Please visit www.education.gov.au/international-education for further information.

International Student Health Cover

All International Students are required by the DOHA to hold Overseas Student Health Cover for the duration of their visa. Carey arranges such cover before the students commence at their English Language School.

The indicative cost of compulsory Health Cover is \$AUD700* per annum and is charged on your fee account. The cost is calculated on the basis that cover is provided for the duration of the visa.
