A photograph of a beach at sunset. The sky is a vibrant orange and yellow, transitioning to a darker blue at the horizon. The ocean is visible on the left, with waves breaking. In the foreground, several people are silhouetted against the bright light of the setting sun. They are standing on the sand, some looking out at the water, others talking to each other. The overall mood is peaceful and contemplative.

*We acknowledge the Traditional Custodians of the land on which our campuses lie and their continuing connection to land, sea and community. We respect their Elders past and present and recognise the injustices endured by the First Nations peoples of this country.*

## From the Principal

### Our generous community

2025 marked a year of significant investment for the Carey community. Under the direction of our Board, Carey acquired the Blackhall property from Preshil, building upon the 2024 acquisition of the adjoining title, Kalimna.

Both the Blackhall and Kalimna properties border our Kew campus and help form part of a broader masterplan to ensure our offerings, including physical spaces, remain relevant, student-focussed and enable the best possible educational opportunities.

These properties were purchased through favourable long-term loans, ensuring that school fees continue to be directed towards your child's education rather than building developments.

In 2025, thanks to the community's giving, we were able to commence significant upgrades to Camp Toonalook, our outdoor education campus on the Banksia Peninsula. This was made possible by you, our generous community, who raised \$100,000 through your kind donations.

I hope you enjoy reading the stories in this year's Impact of Giving report. Thank you for being part of the Carey community.

With warm regards

**Jonathan Walter**  
Principal

# From the Chair of the Advancement Committee

## Thank you for your support in 2025

Giving at Carey continues to flourish year after year, and 2025 was no exception. I am delighted to share our Impact of Giving Report, which highlights the incredible generosity and spirit of our community throughout the past year.

In 2025, contributions to the School came in many meaningful forms. In particular, we are proud to report that:

- seven Access and Equity Scholarships have been funded, helping students thrive through needs-based assistance thanks to the support of our community
- 313 families made a voluntary contribution through their school fees, and we awarded the very first scholarship from this initiative. Read Angel's inspiring story on page 5
- Camp Toonallook received a significant uplift, made possible by donations from parents and alumni in this year's Community Giving Appeal
- our archives collection expanded, with 380 new artefacts donated by 26 contributors, including a commemorative rowing oar from the 1985 Boys First VIII Crew's Head of the River win.

Thank you to everyone who contributed in 2025 in so many ways. We are very grateful. Your support continues to shape the future of Carey and enrich the lives of our students.

**Emma Warren**

Chair of the Advancement Committee

▲ Our Junior School students enjoying their new orchard and chicken coop, funded in part by the Old Carey Grammarians Association last year.

▲ Camp Toonallook team building.

A photograph of three students in school uniforms walking along a path outdoors. A boy in a dark blazer and light trousers is in the center, flanked by two girls in yellow checkered dresses. They are smiling and looking at each other. The background is a lush green area with trees and a black metal fence.

## Giving at a glance – 2025

Leadership Team

**\$100,000**

raised for Camp Toonallook

# A life-changing gift

## Voluntary fee contributions

In 2023 Carey introduced an optional \$200 donation each term on fee statements, with 100% of the funds received directed to support needs-based scholarships, known as Carey's Access and Equity Scholarship Program. Since then, Carey families have donated a total of \$375,835.50.

Thanks to our kind parent community, we were proud to award our very first Access and Equity Scholarship funded by voluntary fee contributions to Angel in 2025.

Angel moved to Australia from Pakistan for life-saving medical treatment of CLOVES Syndrome, a rare condition that is characterised by severe overgrowth of tissue and blood vessels, leading to mobility issues and pain.

Angel completed Year 6 this year at Carey's Donvale campus. She also participated in a production of *Mary Poppins Jr*, her first musical, with new school friends.

Stay tuned for more updates on Angel's journey in the years to come.

needs-based  
scholarships in 2025

# Uplifting the Toona legacy

## Community Giving: Camp Toonallook Appeal

Outdoor Education is an important part of the Carey learning journey, and Camp Toonallook serves as a home away from home for our students in Years 4 to 7, who visit each year to explore and learn within our 10 acres of natural bushland.

Over the years, Carey has maintained Toona as a basic yet functional camp to meet the educational needs of our students. The goal of our 2025 Community Giving Appeal was to elevate Toona and refresh the site, including purpose-built gathering spaces, a new outdoor chapel and sustainable irrigation systems, ensuring the site remains relevant and valued into the future.

Thanks to the generosity of our community, we are delighted to announce that we've reached our goal to raise \$100,000. Together with Carey's matched funds, we have been able to begin construction!

The upgrade of Toona is on track for completion by February 2026. Thank you for being such an important part of this journey.

You can still make a gift and  
have your family's name  
included at Toona's onsite  
honour board.

▲ Upgrades in progress including to Lyall Hall and a new outdoor chapel.

# Community groups making a difference

In 2025, the Junior School Parents Associations at Kew and Donvale once again played a vital role in supporting the School.

At the Donvale campus, the Junior School Parents Association offered numerous enriching opportunities for students, including hands-on science classes and interactive first-aid workshops. They also organised many community events, including picnics, sausage sizzles and Mothers and Fathers Day stalls.

Through the generosity of the Junior School Parents Association – Kew, the School received a substantial capital donation of two new table tennis tables! This contribution represents a significant gift from the Junior School Parents Association – Kew and is greatly appreciated.

## The Swap Shop

The Carey Swap Shop, located on the first floor of the Fairview Building at Kew campus, provides second-hand uniforms for students across all year levels. It operates with the valuable support of parents who volunteer their time.

In 2025, the Swap Shop has raised \$47,110.62! Funds are allocated to support various Carey community groups, including the Junior, Middle and Senior School Parents Associations, as well as the Access and Equity Scholarship program.

# A bright future for Gramlick Oval: thank you John Hands (1977)

In 2025, Carey commenced the exciting upgrade of Gramlick Oval including the forthcoming installation of state-of-the-art lighting and a brand-new electronic scoreboard. This significant enhancement of one of Carey's most loved sporting grounds marks a new chapter in the life of the oval, and it has been made possible thanks to the extraordinary generosity of Carey alum and Old Carey Football Club Life Member John Hands (1977) who made a significant gift to bring the project to life.

'I'm so pleased for the opportunity to work with the School and contribute to the lighting upgrades which will be of great benefit to the Old Grammarians clubs, particularly the Old Carey Football Club, and to current school students,' said John. 'It is a win-win scenario to me, and a very satisfying outcome.'

Michael Tarrant, President of the Old Carey Football Club, shared his appreciation: 'The club is so grateful for John's contribution. The upgrade of the lights will add so much value to the football program.'

We extend our deepest thanks to John for his remarkable support.

▲ The 1976 First XVIII Football Team: John Hands is in the middle row, third from the left.

▲ The Old Carey Football Club won the 2024 Premiership! Pictured here is Michael Tarrant (President), John Hands and Aaron Bailey.

# New Sensory Walk supporting student wellbeing and learning

Made possible by an anonymous Prep family, the Junior School – Kew campus Sensory Walk was installed in 2025.

The Sensory Walk is a series of bright, engaging stations along walking paths and playground areas. It encourages students to move, think and play in ways that support their emotional wellbeing, social skills and physical development.

The many stations include snakes and ladders, bear crawl, hopscotch and yoga to support gross motor skills, co-ordination, balance, literacy, numeracy and problem-solving.

Within the Sensory Walk is a beautiful mural, painted by students with stencils they designed, giving them a sense of ownership and fostering pride, engagement and motivation to use the sensory walk.

*'I'm grateful to the Prep family whose generosity made the Sensory Walk possible. They wanted to contribute to the Carey community and support the experiences our students are having. It's wonderful to see so many children enjoying this new instalment every day, and we sincerely thank them for their generosity. This is a gift that many children will continue to enjoy for years to come.'*

Donna Bradley  
Prep Learning Associate

# The Torchbearers

Since Carey's founding in 1923, our school has grown and flourished thanks to the generosity of our community. Over the years, families have made meaningful contributions – some by establishing scholarships, others by supporting projects that enrich the lives of our students.

Leaving a gift in your will is a powerful way to make a lasting difference for future generations of Carey students. Bequests are often directed to one of the following areas:

- **scholarships and bursaries** that open doors for students from a wide range of backgrounds
- **enhancing our learning and teaching spaces** to inspire creativity, growth and educational excellence
- **general support**, allowing Carey to respond to areas of greatest need.

Thank you to our Torchbearers, Carey community members, who have committed to leaving Carey a gift in their will.

*'We plan to leave a gift in our will as we are keen to support the growing philanthropic community at Carey and influence the lives and education of students at the School for years to come. My children and I are all Carey alumni, and we greatly value our ongoing relationship with the School. Our gift will allow us to give back to the School and make a meaningful contribution to its future students.'*

Heather Hebbard (1980), pictured right with husband Geoffrey

# Sponsorship Program

Near the end of 2025, Carey launched a new sponsorship program that generates meaningful value for both the School and businesses. This initiative offers exclusivity for your business within our large and engaged community, with only one sponsor opportunity per sector. We invite you to learn more about how your business and Carey can partner together. Contact details can be found on the inside back cover.

# Donations to the Archives

In 2025, Carey Archives received invaluable historical donations from 26 members of the community. We kindly thank the following individuals and families who contributed to our collection:

Mr H Bown	Mrs F Huber	Miss K Perrin
Mr R Bruce	Mr O Jenkin	Mr S Ponsford
Mr A Buckmaster	Mr P Jones	Rev E Smith
Mr R Craven	Mr D Kemp	Mr S Spivak
Mr D Crawshaw	Mrs L Kininmonth	The Wyatt Family
Miss E Dyer	Mrs K Lamba	Mr S Whiffin
Mr T Farmilo	Mr R Lindstrom	Miss E Young
Mr T Gange	Mrs K Moss	
Mrs V Hill	Dr A Papanotas
